SCANDINAVIA. - A friend writes to as for our "real opinion" of Dr. Roback's Scantingvine Remedleswhere he can obtain them-and why they are called "Scandinavian," and we are frequently asked the same questions. Scandinavian is the ancient name of Sweden and Norway, and a Scandinavian, that is a Swede or Norwegian, affectionately calls his country "Scandinavia," in the same sense as we speak of "Columbia," or "The Union." By the way, there are over nine thousand Seandinavian families in Dane County, Wiscousin. Although a citizen of this country for many years, Dr. Roback is a Swede by herbs, we think the name is very appropriate. We have the very highest opinion of the Medicines, and of Dr. Roback himself, who is not only a singularly Buggies, and two dark bay Horses, to be sold as the peoperty of Wm. H.
